EAST CENTRAL COMMUNITY COLLEGE

DECATUR, MISSISSIPPI 39327

OFFICE OF THE PRESIDENT

601-635-2111

Intercollegiate athletics have always played an important role in the total program of East Central Community College. Each fall students, faculty, and supporters of the college anticipate the beginning of a new academic session and the first Warrior football game.

As the year progresses and football season ends, fans move indoors for exciting Warrior basketball. And, when spring rolls around, baseball, softball, golf and tennis signal the arrival of a new season and the approaching end of year another school year.

As President of East Central and on behalf of the Board of Trustees, administration, faculty, staff, and students, I welcome you to East Central as the college celebrates sixty-five years of academic and athletic excellence. We thank you for your support as we continue to strive for the best in all of our athletic programs.

We hope that you will enjoy our athletic contests and that you will join the college community, your family, and friends at these and other events as often as possible.

Please let us know if we at East Central can assist you in any way.

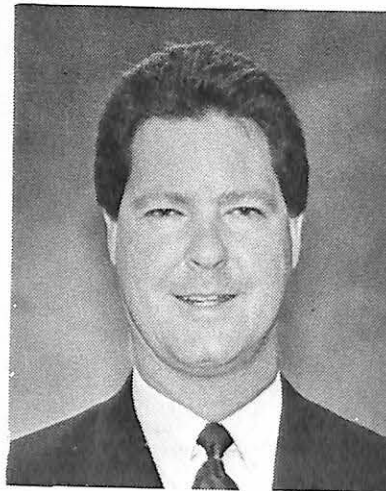

Sincerely,

A handwritten signature in cursive script that reads "Eddie M. Smith".

FOOTBALL PLAYERS HELP BUILD WALKWAY

A new walkway leading to the Warrior baseball field was constructed last spring thanks to the efforts of Warrior football players who assisted the college's maintenance department in completing the project. The path, composed of crossties and gravel, is a "welcomed and most appreciative addition to Chris Gay IV Memorial Field," said baseball coach Jamie Clark. With the construction of the walkway, fans now have easier access to the field, regarded by many as one of the most attractive and well-kept ball parks in the state's community and junior college system. Head football coach Reese Bridgman said the walkway project is one of many "community-type" endeavors planned by the Warrior squad.
